COVID-19 News and Updates

Mandatory Directive for State's Regional Stay-at-Home Order

On December 3, the State Health Officer issued a "[Regional Stay At Home Order](#)" that takes effect when a given region's intensive care unit (ICU) bed capacity drops below 15%. Because of the significant lag between when people become infected with COVID-19 and when they may need to be hospitalized—and based on local data, including but not limited to the fact that ICU capacity in Santa Clara County has already fallen below the State's 15% threshold—the County Health Officer and other Health Officers in the Bay Area have determined it is necessary to implement the State's Regional Stay-at-Home Order on a faster timeline than the State's regional trigger. This Directive is **mandatory**, and failure to follow it is a violation of the Health Officer's Order issued on October 5. This Order went into effect at 10 p.m. on December 6, 2020 and will remain in effect until 12:01 a.m. on January 4, 2021, unless the County Health Officer otherwise modifies or extends this Directive.

State's Regional Stay-at-Home Order

1. Implementation of the State's Regional Stay-at-Home Order

1. The State's [Regional Stay at Home Order](#) is in effect in Santa Clara County as of the effective date and time of this Directive.
2. All persons and entities residing or located in Santa Clara County shall comply with the State's Regional Stay-at Home-Order.
3. To the extent there is any conflict between any provision of the State's Regional Stay-at-Home Order, any other applicable State order, or any local health order or directive, the most restrictive provision shall control.

The best way to protect yourself, your family, and others you may care about:

1. Wash your hands frequently or use hand sanitizer
2. Wear a face covering when in public buildings, in line at businesses, and whenever distancing cannot be maintained
3. Maintain a minimum six-foot distance between others not in your immediate household; more distance is better

When conducting contact tracing, the CDC defines a close contact as anyone within six feet of a known or suspected case for a **cumulative** total of 15 minutes or more over a 24-hour period. Maintain your distance at all times.

Stay Informed

For answers to frequently asked questions about this Directive and other topics, please see the [FAQ page](#). Please note that this Directive may be updated. For up-to-date information on the Health Officer Order, visit the [County Public Health Department's website](#).

County's Mandatory Travel Directive and Tips for Safer Holidays

Under the State's new [Regional Stay at Home Order](#) and the County Health Officer's updated [Mandatory Directive for Gatherings](#), **all gatherings with members of other households, whether indoors or outdoors, are temporarily prohibited.** This restriction went into effect at 10 p.m. on December 6, 2020 and will remain in effect until 12:01 a.m. on January 4, 2021.

The County of Santa Clara is strongly discouraging nonessential travel, including holiday travel. Travel outside the Bay Area will increase your chance of getting infected and spreading the virus to others after your return. For those who are traveling, there are tips to help avoid catching COVID-19 or spreading it to fellow travelers. If you travel more than 150 miles from the County's borders, you are required to self-quarantine for 10 days upon your return and monitor for COVID-19 symptoms for 14 days, as reflected in the State's new Stay-at-Home Order, which the County Health Officer has adopted.

The safest way to celebrate this holiday season is virtually or with members of your household. Gathering with people outside your household – even extended family – increases the risk of getting and spreading COVID-19. There are many ways to enjoy the holidays with loved ones without gathering:

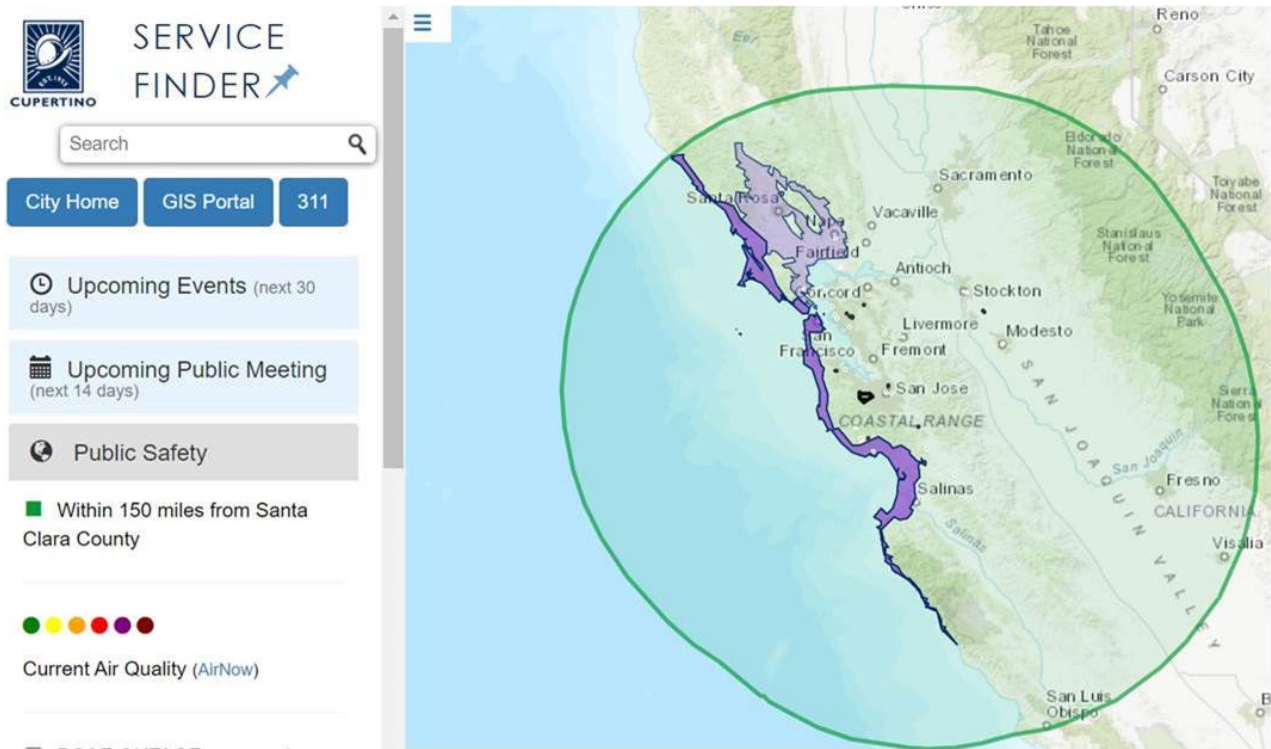

- Enjoy holiday traditions at home with your household
- Decorate your home and/or yard
- Share a virtual meal with family and friends
- Host online parties and/or contests
- Prepare meals using traditional recipes and deliver to family and neighbors
- Attend holiday movie nights at drive-in venues
- Visit holiday-themed outdoor art installations
- Participate in drive-by events where everyone stays in their vehicles

View the County's [Mandatory Directive on Travel](#) and [updated FAQs](#), including questions and answers regarding travel and quarantine. You can also read the County's detailed [Recommendations for Staying Safe from COVID-19 During the Holidays](#).

New Map Feature Displays 150-Mile Radius of County Border

Upon implementing the State's new Stay-at-Home Order, the Santa Clara County Health Officer's Mandatory Directive on Travel was updated to require anyone traveling into Santa Clara County to quarantine for at least 10 days upon arrival and monitor for COVID-19 symptoms for 14 days.

In response to the County Health Officer's Mandatory Directive on Travel, the City's Geographic Information System (GIS) Division added a new feature to the Service Finder application to display a 150-mile radius around the County's border.

View the new map feature on the [Service Finder](#) application by clicking on the Public Safety tab. Service Finder is a web-based map application that provides City services, information, and other interactive features to residents.

Financial and Food Support for Households Impacted by COVID-19

If you or anyone you know is affected by school or business closures, loss of jobs and hourly earnings, or are now having to take care of dependent older adults amidst the COVID-19 crisis, West Valley Community Services is here to help.

Programs and services include:

- Weekly grocery assistance
- Grocery delivery for households ages 60+ or households exposed to COVID-19
- Financial rent and utility assistance
- Food stamps and medical insurance referrals

Please contact West Valley Community Services for information, referrals, and services by emailing recert@wvcommunityservices.org or call (408) 366-6092.

The City of Cupertino Reopens Playgrounds

The City of Cupertino reopened playgrounds on Thursday, December 10. The reopening of Cupertino playgrounds is in response to the Santa Clara County Public Health Department's revised order that now allows for playgrounds to be open. The City will not be sanitizing play structure surfaces. Use at your own risk. Playground users should follow social distancing recommendations, wear face coverings, practice good hygiene, and follow the regulations put forth by the California Department of Public Health.

Playground Regulations include:

- Face coverings must be worn by everyone two years of age or older.
- Do not use the playground when different households are unable to maintain a physical distance of six feet.
- Members of separate households must remain at least six feet apart at all times.
- Consider coming at different times or days to avoid crowds.
- No eating or drinking on the playground to ensure face masks are worn at all times.
- Wash or sanitize hands before and after using the playground.
- Elderly and persons with underlying medical conditions should avoid the playground when others are present.
- Limit visit to 30 minutes per day when others are present.

Gathering Sizes Lowered at Picnic Sites

The City of Cupertino has adjusted the maximum allowed gathering size at picnic sites to one household. The adjusted gathering size is in response to the Santa Clara County Public Health Department's updated restrictions until further notice. Refunds are currently being processed.

For questions about a refund, call the Recreation Office at (408) 777-3120 or email recreation@cupertino.org.

Environmental Day Rescheduled for January 2021

The City of Cupertino canceled the December 12 Environmental Day event due to the recent COVID-19 stay-at-home restrictions. The next scheduled event will be held on January 16, 2021 assuming it is safe to do so at that time. We ask you to store your belongings in a safe place until a proper means of disposal is available. We thank you for your understanding and efforts to keep waste out of the landfill.

General City News and Updates

I Love Cupertino Community E-Gift Card Program

Through the Economic Development Division, the City is sponsoring the “I Love Cupertino” Community e-Gift Card Program in partnership with the Cupertino Chamber of Commerce. The I Love Cupertino e-Gift Card Program will provide an opportunity for residents and shoppers to enjoy local restaurants, shops, and entertainment in Cupertino while supporting local businesses.

The I Love Cupertino e-Gift Card is a community-based digital gift card that makes it easy to keep spending local at participating Cupertino businesses. Through the website portal managed by Yiftee, an e-gift card can be purchased in different values and sent to the recipient (family, friends, team members, etc.) via email or text message. The recipient can use that value to make purchases at participating e-Gift Card merchants. Purchasers typically pay a fee to cover processing costs (\$1.00 per card and 5% of the total value of the gift amount), however, through the City’s sponsorship these fees will be waived for the first two months of the program with a possible extension. The card recipient and merchant receive the full value for the card, providing maximum benefit to our local businesses.

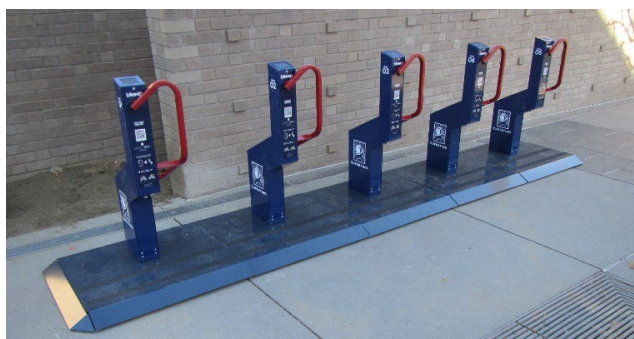

The program is scheduled to launch later this week. The website and related links will be posted on the City’s website in addition to a marketing campaign that is planned to promote the program to the greater community.

On December 15 Santa Clara County adopted an ordinance to put a temporary cap on commissions and fees charged by third-party food delivery services to local restaurants. The Urgency Ordinance applies throughout Santa Clara County, including all 15 incorporated cities and the unincorporated County, except in cities with a more restrictive cap on order and delivery fees (the more restrictive provision or ordinance applies).

The proposed ordinance caps delivery service fees charged by third party delivery at 15% of the value of an order, and the fees for order and listing services (pickup or takeout) at 10% of the value of an order. The costs of compliance may not be imposed on delivery workers and allows enforcement through civil action by restaurants or delivery workers in the courts.

New Smart Bike Racks Installed

The City’s Public Works Department, in coordination with the City Manager’s Office, facilitated the installation of two new bicycle racks in the Civic Center Plaza. The smart racks, manufactured by [Bikeeep](#), eliminate the need for a personal bike lock by providing users with an app-based locking mechanism.

The new racks are free to use and accessible with just a mobile phone or transportation card. Each bike rack can accommodate up to five bicycles and are located in the Civic Center Plaza near the front entrance of the Cupertino Library.

Search for the Bikeeep app on your smartphone or scan the QR codes on the racks to download the app. Setting up an account to use these racks can be done quickly and easily. Traditional bicycle racks remain available for use at the Civic Center Plaza as well.

Unscheduled Commission Vacancy Filled

Planning Commission member Kitty Moore submitted her resignation from the Planning Commission on December 2. Ms. Moore was elected to the Cupertino City Council on November 3 and was sworn into office on December 3, which created an unscheduled vacancy on the Planning Commission with a term ending January 30, 2023. The unexpired portion of the term is two years and will count as a full first term. The City Council appointed Sanjiv Kapil as Planning Commission First Alternate in January and he will fill the vacancy as per Council resolution. Mr. Kapil was serving a partial one-year term on the Housing Commission and has resigned from that commission, effective December 17. Mr. Kapil's partial term ends on January 30, 2021 and will be filled along with the annual recruitment of all committee and commissions with terms expiring on January 30, 2021. The letters of resignation from Kitty Moore and Sanjiv Kapil are attached below.

Winter 2021 Recreation Schedule Available Online

The City of Cupertino's Parks and Recreation Department's [Winter 2021 Recreation Schedule](#) is out! Many of the City's most popular activities are offered virtually. View the schedule and register for classes before classes begin on January 6, 2021.

The Parks and Recreation Department has canceled all indoor programs and activities until further notice, in response to the latest Stay-at-Home Order and COVID-19 restrictions. Refunds are currently being processed. For questions about a refund, call the Recreation Office at (408) 777-3120 or email recreation@cupertino.org.

A few touring tips to remember:
Drive carefully! If you're doing a driving tour, please be mindful of the road and your surroundings. Briefly pull over to safely view lights, and always watch for pedestrians. Drive politely and quietly through neighborhoods.
Be courteous to the homeowners and their neighbors.
Best touring times are early nighttime. Don't tour too late, as many lights get turned off after 10 p.m.
If you get out of your car be sure to social distance and wear a mask.

Notable City Events

Season's Greetings to Cupertino Seniors

The Cupertino Senior Center brought the holiday spirit to senior resident members this winter by sending small holiday packages. The Cupertino Senior Center partnered with local youth and Starbucks to write and mail holiday cards. Each Season's Greetings package included holiday treats, a holiday train frame, and a card wishing seniors happy holidays this season. The City would like to give a special thanks to Harker Key Club and Starbucks for donating the treats. Over 650 Season's Greetings packages were mailed out to Cupertino seniors to spread holiday cheer this season.

A few seniors who have received their special packages have shared their sentiments:

“Thank you so much for the envelope of goodies! It was a nice surprise. Thank you for thinking of me.”

“Thank you so much for the treats, the train, and wishing me happy holidays. This was so nice of you to send things to cheer us up.”

Cupertino Residents Greet Santa at The Santa Stop

For one weekend only, Santa left his post at the North Pole to visit Cupertino. Participants in “The Santa Stop” were able to greet Santa from a safe distance in a drive-thru event at the Quinlan Community Center. Participants pre-registered for a time slot on December 11, 12, or 13.

Every participant received a hot chocolate packet and candy cane, and each car was given a collectible City of Cupertino themed ornament.

City Communications Regarding COVID-19 (Coronavirus)

The City of Cupertino continues to monitor the effects of the coronavirus (COVID-19) as the safety of our residents remains our highest priority. All City facilities remain closed until further notice.
