General City News and Updates

City Launches New Contract Management System

The City of Cupertino went live with the Cobblestone Contract Management System last month. This new system provides an end-to-end solution to manage Citywide contracts and vendors. Important system features include contract templates, tracking, legal hold, e-notifications, task schedules, and checklists for contract administrators, workflows, easier searching, and custom and build-in reporting.

The system also offers a Vendor Collaboration Portal found [here](#). Vendors accessing this portal can easily view the City’s open public contracts and can communicate and share documents with the City’s contract administrators, thus streamlining the contract negotiation process.

The screenshot displays the 'Contract Details' page in the City of Cupertino's system. The interface includes a top navigation bar with the City of Cupertino logo, a search bar, and the date 'Jul 22 2020 16:05:45'. Below the navigation bar is a menu with options like 'Home', 'My', 'Contracts', 'Employees', 'Vendors', 'Reports/Searches', 'Manage/Setup', 'Help', and 'Log Out'. On the left side, there is a 'Tool Bar' with a 'Drag and Drop a file Here to create a new record' area and a list of 'Actions' including 'Add New Contract', 'Create Contract & Link', 'Attachments', 'Tasks & E-mails', 'Checklist', 'Price/Cost Line Items', 'Assign Employees', 'Additional Companies', 'Assign Departments', 'Assign Locations', 'Notes', 'Refresh', 'Link Contract', 'Hierarchy', 'View History', 'Financials', and 'Company Info'. The main content area shows 'Contract Details' for Contract ID 80, with a '708 days remaining, term days' indicator. The details are organized into sections: 'Details' (Contract ID, Contract Type, Vendor Gateway Access, Contract Title, Description, Vendor / Client Name, Department/Business Unit, Location, Risk Review, Professional Services Exhibits, Negotiated Contract, Prevailing Wage Provision) and 'Approvals' (Approval Status, Contract Status, Amendment in Approval).

City to Extend Trial Period of Dog Off-Leash Area at Jollyman Park

The City of Cupertino is extending the trial period for the dog off-leash area ([DOLA](#)) at Jollyman Park in order to acquire sufficient data to assess how effectively youth sports and a DOLA can coexist. The extension, as well as updated hours, was approved by the Parks and Recreation Commission at its [meeting on July 2](#).

“The City has received continuous feedback affirming how much users have enjoyed the DOLA during this trial period,” said Joanne Magrini, Parks and Recreation Department Director. “The Department and Commission believe the opportunity to extend the trial period will ensure that

adequate outreach and research has been conducted, which will benefit DOLA users, neighbors, youth sports participants, and the Cupertino community.”

The DOLA trial began on October 1, 2019 and was intended to run through July 31, 2020. The trial ceased from March 24 to June 4 due to the COVID-19 pandemic and accompanying Shelter-in-Place orders. The DOLA resumed on June 5, 2020 in accordance with state and county guidelines. Currently, the state is prohibiting youth sports and games.

New DOLA hours will go into effect on August 1. For updates and more information, visit cupertino.org/dola.

Cupertino Sports Center to Remain Closed Through December 2020

The Cupertino Sports Center requires a seismic retrofit to meet current state-regulated earthquake standards. This construction is set to begin in early September 2020 and is expected to be completed in December 2020. The nature of this interior work necessitates the closure of the Sports Center building during this time. In consideration of the current state and county recommendations to prevent the spread of COVID-19, and the many restrictions required to accommodate a reopening, the Sports Center will remain closed through December 2020.

The Sports Center tennis courts will remain open when feasible during this period. Sports Center members will receive an email in the coming weeks with regards to the status of their memberships and additional information regarding the extended closure.

City of Cupertino Wins CAPIO Epic Award

The City of Cupertino, per the request of the City Council, held its first Community Budget Workshop on April 18, 2019. The City promoted the event through a #BudgetBites campaign on Facebook and Instagram and partnered with the Teen Commission and Youth Activity Board for additional marketing.

The Administrative Services Department, with the assistance of the Office of Communications, applied for a California Association of Public Information Officials (CAPIO) Excellence in Public Information and Communications (EPIC) Award in the category of Community Relations/Participation. The City won the award, which recognized the City for its partnership with the community’s teens.

City staff would like to thank the City Council for its direction and support in bringing this event to Cupertino residents. City staff would also like to thank the City’s Teen Commission, Youth Activity Board, residents, and several other City staff members for helping make this campaign and workshop a success.
