General City News and Updates

2020 General Election Season Comes to an End

Polls have been closed for the November 3 General Election. The Santa Clara County Registrar of Voters Office has begun the canvass of votes and will continue to count ballots received countywide for the next few weeks. The Official Final Statement of Vote will be available by December 3. The Cupertino City Council will receive the Statement of Vote at its special meeting on December 3. Find results from the election [here](#) and more information on the [City's Elections webpage](#).

County Extends Temporary Commercial Eviction Moratorium

Through an Urgency Ordinance, Santa Clara County is extending the temporary moratorium on evictions in Santa Clara County for non-payment of rent by small business tenants due to COVID-19 originally enacted on March 24, 2020, through whichever date is earlier between:

- Date Governor Newsom's Executive Order expires
- To April 30, 2021

Comments Being Accepted on Bay Area Housing Needs

Bay Area local governments and residents are invited by the Association of Bay Area Governments (ABAG) to comment on the 6th Cycle of the Regional Housing Needs Allocation (RHNA) process. Written comments will be accepted by ABAG until November 24. Under the RHNA process, the California Department of Housing and Community Development (HCD) identifies the total number of homes for which each region in California must plan in order to meet the housing needs of people at all income levels over an eight-year period. ABAG is responsible for developing a methodology to allocate a portion of this housing need to every local government in the Bay Area. In turn, each local government must update its Housing Element to demonstrate the sites, policies, and strategies necessary to meet the community's housing needs. ABAG is soliciting comments on two components of the 6th Cycle RHNA process – Proposed RHNA Methodology and Draft Subregional shares of Regional Housing Needs. For more information, visit [this website](#).

The Cupertino Planning Commission will consider whether to recommend that the City Council comment on the 6th Cycle RHNA methodology at a meeting on November 10 at 6:45 p.m. Subsequently, the City Council will consider whether it will comment at a meeting on November 17 at 5 p.m. Visit cupertino.org/agenda for materials and changes to the schedule, typically up to five days prior to the meeting date.

Notice of Funding Availability and Request for Housing Projects

The City of Cupertino has issued the [Fiscal Year 2021-2022 Notice of Funding Availability \(NOFA\) and Request for Proposals \(RFP\)](#). The City is requesting proposals for eligible capital housing projects. The City may award and appropriate funds to one or more eligible projects in each funding category. Funds must be used to serve low-income and moderate-income households located within the City of Cupertino jurisdiction limits. The City is not accepting applications for public services due to a three-year grant funding cycle ending in FY 22-23.

The following funding sources are on a one-year grant funding cycle (FY 21-22):

- Below Market Rate (BMR) Affordable Housing Fund (AHF) Capital Housing Projects (up to \$6,000,000)
- Community Development Block Grant (CDBG) Capital Housing Projects (approximately \$310,000)

Santa Clara County Measure A - Affordable Housing Bond NOFA

The City's NOFA/RSP is issued in conjunction with the County's NOFA for the Measure A – Affordable Housing Bond. Measure A funding is available on a rolling basis for development capital funding, project-based vouchers, and acquisition funding. Information and applications are available on the [County's website](#).

RFP Application Information and Deadlines

The RFP application period will open at 8 a.m. on Tuesday, November 10, 2020, and will end at 5 p.m. on Friday, February 9, 2021. Organizations intending to apply for funds through this RFP must [apply online here](#). To obtain a temporary login username and password, request it on the [same website](#). Any RFP application that does not meet the deadline will not be accepted.

City of Cupertino Housing Program for De Anza Students

The City of Cupertino has contributed \$25,000 in grant funds to De Anza College for the creation of the Housing Program for De Anza Students. The Housing Program for De Anza Students consists of two new programs, the Housing Assistance Grants Program and the House Sharing Program.

Housing Assistance Grants Program

De Anza College has partnered with West Valley Community Services to provide funds to be used directly for eviction prevention or move-in costs to support students in maintaining or securing stable housing in Cupertino so they may continue their education at De Anza College. Eligible students must meet the eligibility requirements for the California College Promise Grant (formerly known as the Board of Governors Fee Waiver) in order to receive assistance. Funds range from \$750 one-time to a maximum aid amount of \$1,500 per student.

House Sharing Program

De Anza College has partnered with Catholic Charities of Santa Clara County and the Cupertino Senior Center to help expand the existing Catholic Charities home share program by recruiting potential Cupertino home share providers that could be matched with De Anza students. The home provider sets the monthly rent (based on the Catholic Charities model), and the goal is to recruit providers that are willing to offer below market rate rent.

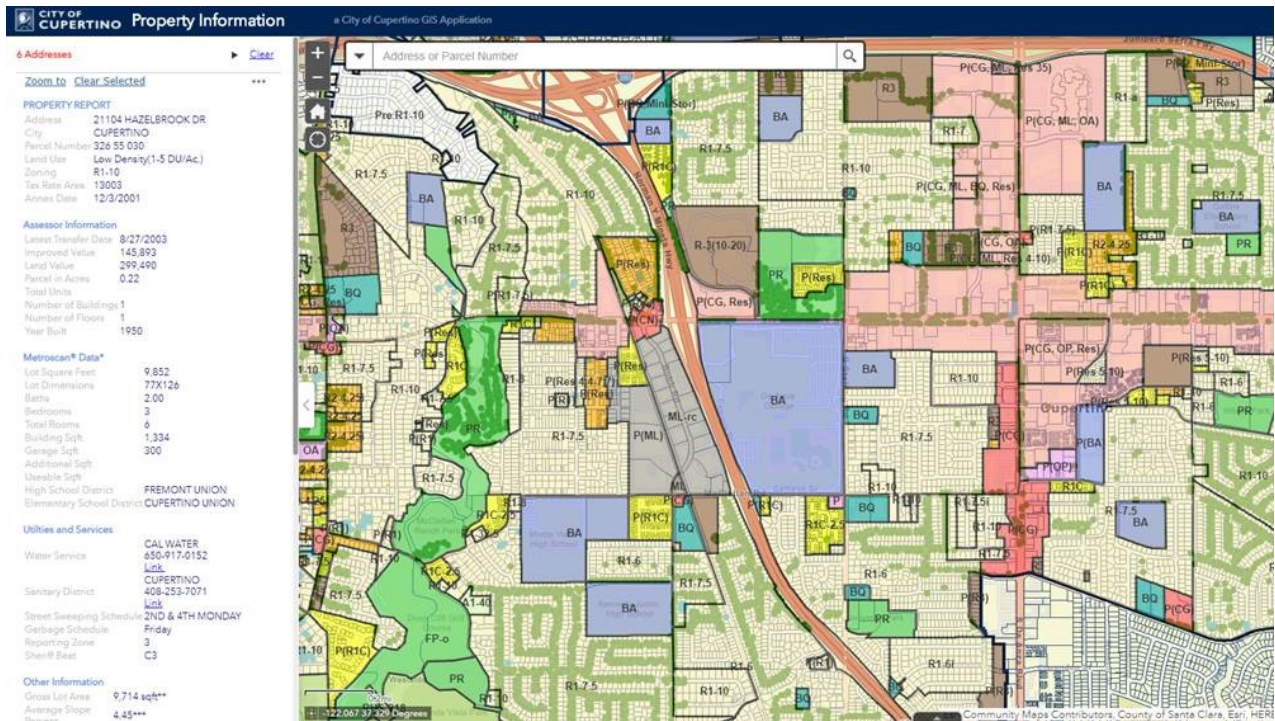

For more information on both programs, visit the [City of Cupertino Housing Program for De Anza Students website](#).

City Application Offers Details on Property Information

The City's Property Information Application is one of the best ways to gather data about a Cupertino property. You can select a parcel to see property details including assessor data, utility providers, FEMA flood zone, lot slope, and more. Users also have the ability to turn on and view City bikeways, trees, streetlights, etc. In addition, the portal provides direct links to public records associated with the parcel, such as assessor maps and tract maps. Other features the application offers are map mark-ups, a detailed print report, and the ability to create mailing labels.

The Property Information Application has become the City of Cupertino's most-visited web mapping application. The City's Geographic Information System (GIS) staff is constantly making improvements based on requests from the public, new advancements in web development, or available widgets.

Below is an image of the application with trees and zoning layers applied.

Forbes Publishes Article on City of Cupertino

Forbes, the world famous business magazine which features articles on finance, industry, investing, and marketing, recently published an article on the City of Cupertino's seamless transition to remote work in response to the COVID-19 virus.

The article highlighted Chief Technology Officer Bill Mitchell's strategic three-year plan, starting with the pursuit of a mobile and largely cloud-based infrastructure. And as the COVID-19 virus spread rapidly through the country, the article includes how Mitchell provided guidance and direction to the City's Infrastructure Division to transition staff from desktops to laptops, migrating employees to Microsoft's new Office 365 portal.

The City's Infrastructure team worked to procure Dell laptops from the same vendors used across other cities, and worked over weekends to ensure all laptops were equipped with the necessary tools to allow staff to successfully work remotely.

As a testament to Mitchell and his team's efforts, the City of Cupertino was able to transition seamlessly, almost overnight, to telecommuting when the County of Santa Clara issued a Shelter-in-Place Order in March.

The article concludes by stating, "Cupertino could have struggled to support City operations immediately following the order to work from home, but the right set of organizational and technological choices put in motion three years previously has served them well."

Halloween Spooktacular Giveaway

#CupertinoCares gave away free Halloween-themed buckets to Cupertino residents from October 22 to 24. This activity was graciously funded by the Mayor's fund and helped the #CupertinoCares team produce 1,500 buckets. Items included a craft kit, glow bracelets, spider rings, stickers, Halloween-themed book, mini pumpkin, and much more!

Buckets were distributed via a drive-thru style pick-up at the Quinlan Community Center, and the Cupertino Block Leaders also organized distribution of nearly 850 buckets in 70 neighborhoods throughout Cupertino.

Block Leader Shibani G. Chotani said, "Thank you for your generous work of preparing the wonderful Halloween buckets for neighborhood families. The neighborhood appreciates your kind work to the community."

The California Parks and Recreation Society recognized the City's event with a Five Snaps Award. This award is given to agencies creating new, innovative programs and experiences for their communities during the COVID-19 pandemic.

Drive-in Halloween Movie

The City's Parks and Recreation staff turned Blackberry Farm's parking lot into a drive-in movie theater on the evenings of October 30 and 31. The Halloween movie "Hotel Transylvania" was shown, with advanced registration required. Registration for this event filled up quickly and a waitlist was started once registration was full.

Staff heard many compliments from the community about the movie night being a fun and safe alternative to typical Halloween activities.

"I want to say a big THANK YOU to the staff for coordinating this amazing and fun event for our family," shared one participant. "My daughter is six years old and we attended tonight's viewing of "Hotel Transylvania." It was her first drive-in movie experience and she LOVED it! We stayed for the whole movie with no issues. While we were there, she said, "Finally, I have a fun event for Halloween!" Thank you also for adding the extra touch with the Halloween pail with extra goodies! The craft kept her and her good friend occupied before the movie started and they were trading stickers and playing with the glow sticks. Oh, and of course the Pirate's Booty was devoured in a minute! What a special night. Seeing the girls' smiles and hearing their laughter really brought smiles to our faces. Thank you again."

City Communications Regarding COVID-19 (Coronavirus)

The City of Cupertino continues to monitor the effects of the coronavirus (COVID-19) as the safety of our residents remains our highest priority. All City facilities remain closed until further notice. While City Hall is closed to the public, the City continues to provide essential services online at cupertino.org and by phone at (408) 777-3200. These essential services include responding to 311 requests and maintaining the City’s infrastructure, among others. For detailed and up-to-date information regarding COVID-19, visit [U.S. Centers for Disease Control and Prevention \(CDC\)](https://www.cdc.gov) and [Santa Clara County Public Health Department](https://www.sccphd.org).

ORDINANCE NO. NS-9.293

**AN UNCODIFIED URGENCY ORDINANCE
OF THE BOARD OF SUPERVISORS
OF THE COUNTY OF SANTA CLARA
EXTENDING ORDINANCE NO. NS-9.287 (AS EXTENDED AND AMENDED BY
ORDINANCE NO. NS-9.288, ORDINANCE NO. NS-9.289, AND ORDINANCE
NO. NS-9.292) RELATING TO A TEMPORARY MORATORIUM ON
EVICTIONS FOR NON-PAYMENT OF RENT
BY SMALL BUSINESS TENANTS IN SANTA CLARA COUNTY DIRECTLY
IMPACTED BY THE COVID-19 PANDEMIC, AND DECLARING THE
URGENCY THEREOF**

Summary

This Urgency Ordinance extends the temporary moratorium on evictions in Santa Clara County for non-payment of rent by small business tenants due to COVID-19 originally enacted on March 24, 2020, through (1) the date Governor Newsom's Executive Order N-28-20 (as extended on September 23, 2020, by Executive Order N-80-20) (or similar executive order) expires, or (2) to April 30, 2021, whichever is earlier.

**THE BOARD OF SUPERVISORS OF THE COUNTY OF SANTA CLARA
ORDAINS AS FOLLOWS:**

SECTION 1. Findings and Purpose.

In accordance with California Government Code section 25123, subdivision (d), the Board of Supervisors finds and declares that this Urgency Ordinance is deemed necessary for the following reasons:

1. On March 16, 2020, Gavin Newsom, Governor of the State of California, issued Executive Order N-28-20 that suspends any provision of State law that would preempt or otherwise restrict a local government's exercise of police powers to impose substantive limits on residential or commercial evictions under certain conditions. The protections in that order initially were stated to expire on May 31, 2020.
2. On March 24, 2020, the Board of Supervisors of the County of Santa Clara adopted Ordinance No. NS-9.287, an urgency ordinance which temporarily banned the eviction of residential or small business tenants in Santa Clara County due to inability to pay rent because of a substantial loss of income, or substantial out-of-pocket medical expense, related to the 2020 COVID-19 pandemic. Ordinance No. NS-9.287 was enacted to protect these local tenants from homelessness or housing insecurity as a means of

ensuring the efficacy of the County's shelter in place order and combating community spread of COVID-19. Ordinance No. NS-9.287 stated that it was to expire on May 31, 2020 unless extended by the Board of Supervisors. Similarly, other jurisdictions within the County, such as the Cities of Mountain View, Palo Alto, San José, Santa Clara, and Sunnyvale, as well as the Town of Los Gatos, have enacted eviction moratoriums to protect tenants from eviction.

3. On March 27, 2020, Governor Newsom issued Executive Order N-37-20 banning the enforcement of eviction orders for renters affected by COVID-19 through May 31, 2020. On April 6, 2020, the California Judicial Council promulgated emergency rules in response to the 2020 COVID-19 pandemic that temporarily suspended entry of default and trials in eviction proceedings in the Superior Courts.

4. On April 29, 2020, the County Public Health Officer issued an order extending and revising the prior shelter in place order issued on March 31, 2020. The April 29, 2020, order extended the shelter in place requirement for County residents to May 31, 2020, in order to stop community spread of COVID-19, subject to exceptions for the provision and receipt of essential services.

5. On May 18, 2020, the County Public Health Officer issued an order extending and revising the prior shelter in place order issued on April 29, 2020. The May 18, 2020 order extended the shelter in place requirement for County residents indefinitely in order to stop community spread of COVID-19, subject to exceptions for the provision and receipt of essential services.

6. On May 29, 2020, Governor Newsom issued Executive Order N-66-20, which extended suspension of any provision of State law that would preempt or otherwise restrict a local government's exercise of police powers to impose substantive limits on residential or commercial evictions under certain conditions by 60 days to July 28, 2020.

7. On May 26, 2020, the Board of Supervisors for the County of Santa Clara adopted Ordinance No. NS-9.288, an urgency ordinance that extended Ordinance No. NS-9.287, which imposed a temporary moratorium on evictions in Santa Clara County for non-payment of rent due to COVID-19 and no fault evictions for tenants affected by COVID-19, to the date that Governor Newsom's Executive Order N-28-20 was extended, or August 31, 2020, whichever was earlier.

8. On June 2, 2020, the Board of Supervisors for the County of Santa Clara adopted Ordinance No. NS-9.289, an urgency ordinance that amended Ordinance No. NS-9.287, as extended by Ordinance No. NS-9.288, by extending the time period during which rent deferred under Ordinance No. NS-9.287 must be repaid from 180 days to 12 months from the expiration of the eviction protections in the Ordinance, specifying repayment intervals for deferred rent, and specifying conditions for imposition of late fees on deferred rent.

9. On June 30, 2020, Governor Newsom issued Executive Order N-71-20, which further extended suspension of any provision of State law that would preempt or otherwise restrict a local government's exercise of police powers to impose substantive limits on residential or commercial evictions under certain conditions to September 30, 2020.
10. On July 2, 2020, the County Public Health Officer issued an order revising the prior shelter in place order issued on May 18, 2020. The July 2, 2020 order revised the prior order by permitting most activities, travel, business, and governmental functions, subject to specified restrictions, limitations, and conditions to prevent community spread of COVID-19.
11. On July 13, 2020, Governor Newsom and the California Department of Public Health issued new restrictions on various indoor activities and industries across multiple counties.
12. On August 11, 2020, the Board of Supervisors for the County of Santa Clara adopted Ordinance No. NS-9.291, an urgency ordinance which established a comprehensive civil enforcement program to provide for the peace, health, and safety of the general public through enforcement of State and local public health orders and the County's eviction moratorium ordinance to help combat the spread of COVID-19.
13. On August 13, 2020, citing its role to resolve disputes under the law and not to legislate, the California Judicial Council voted 19-1 to end its emergency rule temporarily suspending entry of default, trials, and issuance of writs of execution for eviction proceedings in Superior Court, effective on September 2, 2020.
14. On August 25, 2020, the Board of Supervisors for the County of Santa Clara adopted Urgency Ordinance No. NS-9.292, an urgency ordinance that amended Ordinance No. NS-9.287, as extended by Ordinance No. NS-9.288 and amended by Ordinance No. NS-9.289, by extending the eviction protections for small business tenants therein to the date that Governor Newsom's Executive Order N-28-20 was extended (as extended by his June 30, 2020 Executive Order N-71-20), or to November 30, 2020, whichever was earlier. Urgency Ordinance No. NS-9.292 further amended Ordinance No. NS-9.287, as extended by Ordinance No. NS-9.288 and amended by Ordinance No. NS-9.289, by including an "anti-waiver" provision that voided any waiver of rights or protections afforded under the eviction moratorium ordinance as contrary to public policy.
15. On August 28, 2020, Erica S. Pan, M.D., M.P.H., Acting State Public Health Officer for the California Department of Public Health, issued a Statewide Public Health Officer Order. This Order, which is implemented through the California Department of Public Health's "Blueprint for a Safer Economy," utilizes a color-coded tiered framework that progressively permits counties to engage in a broader range of reopening and resuming certain activities guided by risk-based criteria. Under this Order, local health

officers may continue to implement or maintain more restrictive public health measures if the local health officer determines that health conditions in that jurisdiction warrant such measures. This Order took effect on August 31, 2020, superseded the July 13, 2020 State Public Health Officer Order, and remains effective until modified by the State Public Health Officer.

16. On August 31, 2020 Governor Newsom signed into law Assembly Bill 3088, which took effect immediately and imposed a temporary statewide eviction moratorium for non-payment of rent for residential tenancies in the State of California, and provided critical protections for residential tenants struggling under the COVID-19 pandemic, but did not provide protections for small business or commercial tenancies. Because of the breadth of Assembly Bill 3088's protections for residential tenants, and its prohibition on evictions for non-payment of rent due to the COVID-19 pandemic, it preempts many of the residential tenant protections within the County's eviction moratorium related to non-payment of rent.

17. On September 4, 2020, the United States Centers for Disease Control (CDC) announced an order temporarily halting evictions nationwide for residential tenants. This CDC order, however, did not address or provide protections for small business or commercial tenancies.

18. On September 23, 2020, Governor Newsom issued Executive Order N-80-20, which further extended suspension of any provision of State law that would preempt or otherwise restrict a local government's exercise of police powers to impose substantive limits on commercial evictions under certain conditions to March 31, 2021.

19. On October 5, 2020, the County Public Health Officer issued an order revising the prior risk reduction order issued on July 2, 2020. The October 5, 2020 revised risk reduction order, which went into effect on October 14, 2020 and remains in effect today, lessens the restrictions on activities that were imposed by the July 2, 2020 risk reduction order in light of the County's increased capacity to detect cases and contain the spread of COVID-19.

20. At its October 20, 2020 meeting, the Board of Supervisors for the County of Santa Clara unanimously approved a referral to County administration to study and report back to the Board of Supervisors on November 18, 2020 and November 20, 2020 on options for establishing a low-interest loan program to help support small businesses that have been adversely economically impacted by COVID-19. This referral recognized the crucial role small businesses play in the economic health of the County and cited the "devastating impact" the COVID-19 pandemic has had on small businesses and their employees within the County, the barriers small businesses often face to securing capital to keep their businesses open, the lack of available funds and resources for small businesses during this time, and the continued prospects of losses, layoffs, and bankruptcies that small businesses within the County face.

21. Consistent with the concerns expressed by the Board of Supervisors at its October 20, 2020 meeting, recent reporting shows that the San José metro area, which encompasses large portions of Santa Clara County, ranks fifth in the nation with the largest number of small business closures for every 1,000 businesses since March 1, 2020. Such closures have an adverse impact on the County's welfare, as well as the economic and housing security of those who own and work for these small businesses.

22. As the COVID-19 pandemic continues, and the economic impacts from the pandemic deepen, the State and federal government have taken steps to provide relief for residential tenants, but to date there is no law or program extending such relief to small business or commercial tenants, leaving small business tenants vulnerable to the economic pressures of the current crisis described herein. Since the beginning of the COVID-19 pandemic, industry analysis estimates that nearly 100,000 small businesses have permanently closed. And while there have been some financial assistance programs to small businesses, most of these funds have been exhausted. This lack of financial resources, combined with the absence of comprehensive State or federal eviction protections, compounds the economic pressures facing small businesses and makes it more difficult for them to survive.

23. The humanitarian crises of homelessness, housing affordability, and housing insecurity in the County that existed at the time Ordinance No. NS-9.287 was enacted persist today. Small business tenants in particular continue to face potentially devastating income losses and may be unable to absorb such losses in the short term, and therefore be forced to shut down. Such shutdowns could impact the ability of the proprietors to provide essential services, and to provide incomes for themselves, their families, and their employees, putting all at risk of homelessness. Thus, extending the small business protections in the Ordinance by the Board is necessary to protect the health, safety, and welfare of its residents and those who drive our local economy.

SECTION 2. Definitions.

For purposes of this Ordinance, the term "Ordinance" as used hereinafter shall mean Urgency Ordinance No. NS-9.287, as subsequently amended by Ordinance Nos. NS-9.288, NS-9.289, and NS-9.292, which generally established, amended, and/or extended the County's temporary moratorium on residential and small business evictions for non-payment of rent due to the COVID-19 pandemic.

SECTION 3. Extension of Ordinance No. NS-9.287, As Extended and Amended by Ordinance No. NS-9.288, Ordinance No. NS-9.289, and Ordinance No. NS-9.292.

This Ordinance extends Ordinance No. NS-9.287, as extended and amended by Ordinance No. NS-9.288, Ordinance No. NS-9.289, and Ordinance No. NS-9.292, through (1) the date that the Governor's Executive Order N-28-20 (as extended on September 23, 2020, by Executive Order N-80-20) suspending any provision of State law

that would preempt or otherwise restrict a local government's exercise of police powers to impose substantive limits on commercial evictions under certain conditions (or similar executive order) expires, or (2) to April 30, 2021, whichever is earlier.

This extension does not apply to those provisions of the Ordinance that apply to residential properties and are preempted by AB 3088 (2020).

SECTION 4. Compliance with the California Environmental Quality Act.

This Ordinance is not subject to the California Environmental Quality Act (CEQA) pursuant to Section 15060(c)(2) of the CEQA Guidelines (the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment) and Section 15060(c)(3) (the activity is not a project as defined in Section 15378 of the CEQA Guidelines because it has no potential for resulting in physical change to the environment, directly or indirectly).

SECTION 5. Effective Date.

This Ordinance is an extension of and an amendment to Ordinance No. NS-9.287, as extended and amended by Ordinance No. NS-9.288, Ordinance No. NS-9.289, and Ordinance No. NS-9.292, and shall be in effect immediately upon adoption by a four-fifths vote of the Board of Supervisors as an Urgency Ordinance. This is based on the Board of Supervisors finding that this Ordinance is adopted in compliance with Government Code section 25123, subdivision (d), that it is necessary for the protection of the public peace, health, or safety for the reasons contained in the findings set forth in this Ordinance, which are incorporated by reference herein, and that it is necessary to prevent Santa Clara County from suffering potentially irreversible displacement of its small business tenants resulting from the evictions that this Ordinance and Ordinance No. NS-9.287, as extended and amended by Ordinance No. NS-9.288, Ordinance No. NS-9.289, and Ordinance No. NS-9.292, are designed to prevent. This Ordinance shall expire and shall be repealed as of the earlier of (1) the date that the Governor's Executive Order N-28-20 (as extended on September 23, 2020, by Executive Order N-80-20) suspending any provision of State law that would preempt or otherwise restrict a local government's exercise of police powers to impose substantive limits on commercial evictions under certain conditions (or similar executive order) expires, or (2) to April 30, 2021, unless shortened or extended by the Board of Supervisors based on the existence of a local emergency.

SECTION 6. Severability.

If any section, subsection, sentence, clause, or phrase of this Ordinance is for any reason held to be invalid, such decision shall not affect the validity of the remaining portions of this Ordinance. The Board of Supervisors hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause, or phrase thereof irrespective of the fact that any one or more sections, subsections, subdivisions,

paragraphs, sentences, clauses, or phrases will be held unconstitutional, invalid, or unenforceable.

PASSED AND ADOPTED by the Board of Supervisors of the County of Santa Clara, State of California, on NOV 03 2020, by the following vote:
