### Survey Results: Role of Enforcement in Safe Routes

Cupertino Safe Routes to School

### Who Participated?

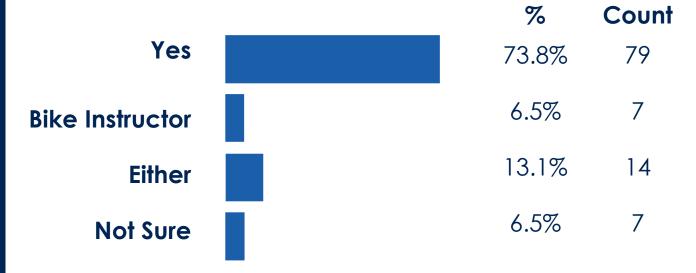

#### 107 Respondents

# Do you feel safe in the presence of law enforcement personnel?

Do you feel a School Resource Officer should continue to deliver free bike safety presentations to elementary and middle school students?

# Do you feel Safe Resource Officers should be present at elementary school rodeos?

Do you feel the Sheriff's Office should patrol school areas during peak traffic times to give tickets to people for violating traffic laws?

Do you feel the Sheriff's Office should patrol specific locations around school where parents or community members have requested it?

Do you feel the sergeant should provide Cupertino collision data to the Cupertino Safe Routes to school staff?

Please select the direction you would like to see Cupertino SR2S take the Partnership's recommendation.

	%	Count
Keep Enforcement and Maintain Involvement	82.2%	88
Replace w/Engagement and Maintain Involvement	7.5%	8
Replace w/Engagement and Reduce Involvement	8.4%	9
Remove Enforcement and Involvement	1.9%	2

### Conclusion

An overwhelmingly majority of the community supports keeping Enforcement in our Framework of Es and maintaining involvement from the Sheriff's Department as an integral part of the Cupertino Safe Routes to School Program

Thank you to everyone who completed the survey. We value community input and are grateful for our community's engagement throughout this process!
