Community Meetings: 6 p.m. to 8 p.m.

May 13 – East Trail Segment

May 20 – Central Trail Segment

May 27 – Citywide

Presentation: Back to School

Walk or Bike to School

- Follow the rules of the road and obey traffic signs and signals! It is important for pedestrians to be aware of their surroundings and other roadway users.

Plan Your Route to School

- To stay safe, it is critical that riders understand traffic laws. Have a planned route in mind and practice your bike handling skills.

Be Safe

- To stay safe, please read our safety tip sheet for motorists. This is a great resource to remind drivers of traffic laws, techniques for avoiding traffic, and information on how to protect all roadway users.

What is SR2S?

- Cupertino Safe Routes to School (SR2S) is a partnership program between City staff and community partners, who collaborate to advance the program's mission.

Benefits

- Cupertino Safe Routes to School produces original content and compiles educational materials from reputable sources to help our community learn more about how to safely walk and bike. This information is available on our website.

SR2S Update: Education

Solutionary Teacher Fellowship

An exciting opportunity for teachers to integrate Safe Routes to School, Health/Science/History Social Studies/Common Core standards, environmental sustainability, and climate-resilient practices in the classroom.

Teachers receive \$1000 stipend from Measure B Bike/Ped Ed&Enc
