WASTE ZERO

Recycle

California law requires all businesses to subscribe to recycling collection to sort waste correctly and keep it out of the landfill.

To learn more, visit cupertino.org/nowaste.

MUST BE EMPTY, CLEAN, AND DRY!

Paper, Cardboard, Paper Egg Cartons, Newspaper, Magazines, Junk Mail

Glass Bottles and Jars

Metal Cans, Aluminum, Small Scrap Metal

Rigid Plastic Containers

No

- Liquids
- Paper towels, plates, and cups
- Pizza boxes
- Plastic bags and soft plastics (only if bagged and tied)
- Plastic cutlery and straws
- Styrofoam
- Wires, banding, chains, and cables
- Wood

Organics

State law requires organic materials to be put in the green organics cart. Sorting your organic material in the compost cart will help the environment and your community. Food and yard waste that ends up in the landfill will release methane gas, which is a major source of greenhouse gas emissions and leads to global warming.

Food Scraps, including Meat, Shells, Fish, Bones, Fruit, Vegetables, Dairy

Yard Trimmings, Untreated Wood Pallets

Food and Beverage-Soiled Paper

No

- Aluminum foil, trays, and metal
