

**CITY OF CUPERTINO  
BUILDING INSPECTION DIVISION  
CORRECTION LIST**

Date: December 26, 2019

Subject: Peer Review of Structural Assessment – Vallco Bridge Demo

Address: Wolfe Bridge at Vallco

PC#: N/A

Plan checker: Michael Loomis, S.E.

Phone: 650-522-2552

---

**IMPORTANT NOTICE:** Please return both this correction list and any marked drawings or calculations along with your revised drawings when resubmitting. Please reference on the correction list where on the plans the corrections have been made to assist in providing a more timely review. Be advised that the plan review application for this project may expire 180 days from the date of original application.

---

**PLAN CHECK COMMENTS**

1. As requested by the City of Cupertino we are performing a peer review of the structural assessment performed by DCI Engineers. A complete peer review has not been completed at this time. The following comments seek to obtain additional information with which to perform this peer review.

Response: \_\_\_\_\_

2. Please provide as-built or original structural drawings and/or calculations that were used in producing the two letters from DCI Engineers dated November 19, 2019.

Response: \_\_\_\_\_

3. Please provide any field documentation (photos, sketches, etc.) that were used to support the conclusions from DCI Engineers' letters dated November 19, 2019.

Response: \_\_\_\_\_

4. Please provide any calculations that were prepared to verify the as-built condition's structural stability during demolition operations and supporting the conclusions of the letters from DCI Engineers dated November 19, 2019

Response: \_\_\_\_\_
